Webpage Introduction by Jodi Rindt [janesvillepickleballclub.org](http://janesvillepickleballclub.org) Jodi researched and coordinated the design of the new website with web designer Eric at ProActive Design in New Berlin. A contract was signed for the setup (\$1500) and ongoing annual support (\$400-\$500). In the future all dues will be paid through the site. The site has the VENMO address listed. Members suggested adding a QR code, and possibly add other methods of payment as well. Another suggestion is making consistency in the logos from the Facebook page and the Website. The design is still ongoing so take suggestions to Jodi
