

## **Janesville Pickleball Club Meeting Minutes**

### **December 16, 2025**

Members Present: Gary Dannenberg, Ed Stried, Jodie Rindt, Patti Brugger, and Cathy Jennings

Absent: Julie Fiebig

Guest: Keith Christoff, Enrolled Agent of the US Tax Court

Ed gave an update on the Woodman Center. Several months ago the Woodman center initiated a conversation with club members for input regarding the center hosting a pickleball tournament in April or May of 2026. At this time the center is not asking the club to run the tournament. Since that time both Ed and Julie have attempted to follow-up with the center to see how we could collaborate with them on both the tournament and general play. So far, the attempts have been unsuccessful.

Currently the Janesville Pickleball Club is not registered with the State of WI or the IRS as a 501(c)3 or a 501(c)7. The club does have an EIN (Employment Identification Number) that was issued in 2018. A discussion was held regarding the necessity and possibility of filing for this designation. It was determined that further research is needed and will be conducted.
